**GENERAL MEETING CANCELLED DUE TO LOCKDOWN**

### **A MESSAGE FROM YOUR PRESIDENT – SEPTEMBER, 2021**

Spring has sprung,  
The grass has riz,  
I wonder where the birdies is?

This little ditty is a reminder that we cannot go on holidays, mingle with friends or socialize in any way, apart from on the telephone or internet, but we can enjoy the beauty of spring in our own gardens, or go for a quick exercise walk and take in the visual pleasure that flowers bring us. We can also enjoy the scented aromas that stimulate our senses and watch the birds and other wild life around us.

Thank you to those members that have sent photos of gardens and flowers, they should inspire everyone to take a walk in the sun shine.

**We will be launching a new activity this month.** It will be the leading news in the newsletter so I won't elaborate any further, except to say that it is for everyone and its fun, so please have a go.

If you know someone who has difficulty getting out, give them a call. I'm sure they would love a chat. If you haven't had the jab make it a priority. Stay safe, stay well and enjoy spring.

**JOHN PERRY, PRESIDENT**

## **NEW ACTIVITY - WEEKLY ONLINE TRIVIA QUIZ**

Given the number of club activities that we've sadly had to cancel due to COVID and the importance to keeping our minds and bodies active during the lockdown, we are launching a weekly on-line trivia quiz commencing on Friday, 10 September, 2021. This is how it will work:

- Every Friday, members will receive an email with 20 general knowledge questions. The quiz will be multiple choice, all you will need to do is tick one box for each question.
- Participants will be given all weekend to submit their answers.
- On the following Monday, an email will be issued announcing the names of members who achieved the highest score.

This is just for a bit of fun while we're all stuck at home. There are no prizes and participation is totally voluntary – those not wishing to participate can simply ignore the email. We hope that many of you will take part in this new fun activity. Please Contact Aldo Cantori by phone or email.

## **WELFARE**

We still have a few members recovering from health issues but most are home and recovering.

I have sent cards with our best wishes to these members. Our best wishes also go to their families.

I hope you have been able to enjoy our sunny days with a walk, gardening and or reading. Thankfully we are now able to meet with friends for a walk as long, as we adhere to health requirements. While this only a small step in the way to a more normal life it is a start and we can look forward to a more normal life in the future.

As I mentioned last month Castle Hill Library provides an excellent service to residents from the Baulkham Hills Shire who are over 65 years of age. If you would like more information on this service and would like to use the service contact the Castle Hill Library. If you do not belong to the Castle Hill Library and are in the Baulkham Hills Shire they will join you up when you contact them. Contact details are 97614510 or email [www.thehills.nsw.gov.au/library](http://www.thehills.nsw.gov.au/library)

If you know of anyone who would like a cheerio call please let Anne Gover know by phone or email.

## **ATTENDANCE – no apology required this month due to lockdown.**

## **COMMITTEE**

Our committee still meets every month via Zoom to discuss what is happening, how the COVID restrictions are affecting us and our future directions. We will keep members informed of what we decide and what will happen for the Club as soon as we can. At this stage, we are hoping for some events to happen in November.
